## Triad-Orbit IO-Desk™

---

**Kingston, Wash.** (12-9-2019) –Triad-Orbit IO-Desk™ is a secure multipurpose platform that can be tailored to fit individual needs that can hold audio/video/technology devices such as microphones, laptop computers, tablets, audio interfaces, power supplies and the like. Its 18 inch by 12 inch frame contains (180) 3/8-16 inch threaded holes, and (4) 5/8 inch mounting holes. Four securing washers with a foam underside are included to safely secure laptops, hard drives, and other devices using two long or two short rubber securing straps. Easily configure a stand for sheet music, laptops, or create more complex audio or video editing stations using Triad-Orbit accessories such as IO-R38® to add quick-disconnect functionality, iOrbit® tablet holder for phones and tablets, or IO-RA for microphones. For additional information contact: APG-MX / Ph. (206) 780-1900 / Toll-free (888) 846-8776
